

Streatley Parish Plan									
Action Plan 2016									
Date Plan Adopted									
Objective	Actions	Priority H/M/L	Start Date	Finish Date	Project Lead	Other Partners	Justification/comments	Completed	
Theme - Safer									
Village Defibrillators	Ensure sufficient numbers and trained volunteers for the whole community. Link to the community responders scheme	Access defibrillators and set up training for volunteers	M	Apr-16		SPC and responders		Key part of the village safety is provision of First Responders. This was not part of the survey questions but was reported in a number of feedback events.	
Cattle	Perceived danger from cattle - cows in fields accessed by walkers	Guidance to be collated and disseminated (in partnership with landowners) as to how to walk safely through areas with farm animals	M	Apr-16		Health Walk group		21 unprompted comments about being worried about/ scared of the cows in response to question about whether anything hampers enjoyment of outdoor space.	
Dog mess in public areas		Locate at least one extra dog bin in the village	M	Apr-16		SPC	West Berkshire Council	12 unprompted comments about dog mess and/or need for dog bins, in response to question about outdoor space; 6 in response to question about improvements to facilities.	
Cycling	Develop a network of cycle paths - to connect different parts of the village and neighbouring communities	Create a long term vision for a cycle network	M	Apr-16		SPC	Cycling groups	A majority of people (58% of respondents) particularly younger age groups would use dedicated cycle tracks around Streatley. Some opposition to cyclists on roads.	
Parking and traffic on High Street		To analyse traffic survey data to better understand issues of congestion and to suggest remedies that might improve traffic flow without disadvantaging those living on the High Street	H	Apr-16		SPC	West Berkshire Council	Strong views expressed . Divided views on parking. For example, whether parking on High Street should be allowed: 50.5% agreed or strongly agreed, whilst 49.5% disagreed or strongly disagreed. This requires further investigation of future measures and acceptability.	
Theme - Prosperous									
Annual Forum		An annual facilitated Forum of local organisations to maintain a vibrant village	H	Sep-16		SPC	Local organisations and stakeholders	Attendees at first Forum requested this be made a regular event. Survey responses showed 56.5% support and a further 34% said it depends on a range of reasons: the topics, frequency, etc.	
Extending usage of Parish Assembly		Use Parish Assembly as a key local forum and encourage broader engagement	H	May-16		SPC		Feedback given at 2015 Parish Assembly, plus comments on questionnaires. (Links to Q42 of survey, 46.5% of respondents would like to know more about who to contact if they had some concern about life in Streatley.)	
Healthy									
Create New walks in Streatley		New walks and an Historic Streatley trail. One to include the Thames Path	M	Apr-16		SPC	History society and Health Walk group	Most people regularly use the footpaths. A lot of support for creating a circular walk along the river and for a level walk for those unable to manage hills. Majority would use a historic trail (56%) and similarly nearly half (45.5%) would support opening up more paths.	
Create a "green" gym trail		Green gym trail to be formed for Streatley	M	Sep-16		SPC	Health Walk Group and Friends of Streatley Rec	Majority use the outside spaces in Streatley. High support for Green gym as a new facility (54% of respondents) a further 32% supported the idea but would not necessarily use themselves.	
Greener									
Street light usage		Reduce hours of usage of Streetlights in appropriate areas of the village	M	Sep-16		SPC		Majority (66.5%) felt streetlights should be turned off after 1am.	
Use of bonfires in village centre		Collate and disseminate an appropriate bonfire guide for the village	M	Apr-16		Goring Gap Sustainability Group		Strong views expressed: 61% would sign up to a voluntary bonfire code whilst 25% would not.	
Stronger									
Streatley website		Ensure carries clear information on who to talk to with matters of concern, who is responsible for community facilities/ event/ activities. Make sure that it links with other stake holder sites.	H	May-16		SPC		Majority of respondents (67%) would support the greater use and development of a Streatley website/Facebook page.	

Use of old phone box		Trial use of the old phone box as either a plant and book swap space.	M	Sep-16		Friends of Streatley Rec	Amenity Association	Opinion was divided on use of phone box: 30% would support a book/plant swap, 34% liked the idea but would not use and 36% disagreed - therefore, action point to trial new uses formulated.	
Buildings of community value		Ensure these are identified and added to the WBC list of community assets	M	Apr-16		SPC	History Society	77 free text responses detailed the individual local community assets residents would most like to see recorded and protected. This included local public houses, the Morrell Rooms, meadows, towpath and public open space as key areas to preserve.	
Provision of a pavilion /scout hut		Commission a feasibility study for pavilion/scout hut on the recreation ground	H	Sep-16		SPC	Scout group, Friends of Streatley Rec, & Morrell Room Committee	51% in favour, 33% in support with some caveats Responses varied as to which facilities should be included.
