

Membership Secretaries Report to Streatley Allotments Society AGM April 2020

As at 1st April 2020 there are 39 working Plots, held by 37 Plot Holders, with double holdings consisting Plots 3 & 13 and 30 & 40.

Caroline Furmage vacated Plot 42 early in the financial year, and we welcomed Jeremy and Hayley Gittins who have taken over the Plot.

An updated version of the plot layout diagram is attached showing the names of all current plot holders.

Of the 37 Plot Holders 16 come from Streatley, 20 from Goring, and 1 from Upper Basildon. There are currently 11 applicants on the waiting list.

Once the current restrictions in place, due to Coronavirus, are lifted I shall be handing over the duties of Membership Secretary to Diana Wheatley, a fellow member of the Committee. At that point I will take on the duties of Site Manager from Peter Barefield, who is resigning from the Committee.

Harry Beresford (Plot 14)
