12 July 2021

YOU ARE SUMMONED TO A MEETING OF STREATLEY PARISH
COUNCIL AT 7:50pm ON 19TH JULY 2021 IN THE MORRELL ROOM

**HAZEL PRESTON-BARNES
CLERK TO THE COUNCIL**

DUE TO SOCIAL DISTANCING RULES THE NUMBER OF MEMBERS OF THE
PUBLIC WILL BE LIMITED TO 5 AT ALL PARISH COUNCIL MEETINGS UNTIL
FURTHER NOTICE

The public and press are invited to either:

1. Attend the meeting - please contact the clerk, at least 48 hours prior to the meeting, on 07766 541577 or email: clerk@streatley.org to reserve a place at the meeting
2. Submit questions to the Parish Council which will be discussed, and a written response provided following the meeting.

AGENDA FOR STREATLEY PARISH COUNCIL – MEETING ON 19 JULY 2021

1. Preliminaries

a. Declarations of Interest

To remind Councillors of the need to record the existence and nature of any Personal, Disclosable or Pecuniary or other interests in items on the agenda, in accordance with the Council's Code of Conduct.

b. *To note* that Sara Hadley has agreed to become a Parish Councillor.

She will be co-opted at the next meeting as work commitments prevent her from attending July's meeting.

2. Apologies for Absence

a. *To receive* apologies for inability to attend the meeting.

3. Open Forum

4. Minutes

a. Motion (proposed Councillor Spring, seconded Councillor Barnes): that the Minutes of Council held on 4 May 2021 (minutes previously circulated) are a correct record. The Chairman will sign the minutes and those from the virtual meetings. **Clerk**

5. Matters Arising from Previous Minutes

a. 18/125 g. i. WBC email regarding establishment of footpath from Hill Gardens to Green Hill. A Law has received some objections, including one from a resident who believes there is a covenant in place for the land. A section of woodland behind the pre-school/school is owned by WBC Education Department. No details of a covenant have been found by WBC Property or Education Departments.

The remaining larger area is Open Access Land.

27 evidence forms sent to S Higgins, WBC, on 8 August 2018. The next step is to apply for a public footpath. S Higgins has supplied all forms and will assist with the process. Council instructed the Clerk to proceed with completion of the forms. Clarification received from WBC on 'evidence' required.

12 new evidence forms collected. Further attempts have met with some opposition to the footpath.

The first stage has been completed. Documents and additional evidence sent to WBC. The next stage is to post notices to owners of land. **Clerk**

b. 19/026 iii. The Primary School Eco group is looking for projects. Councillor Coyle has two ideas which need further development:

- i. Scope for inclusion in the wildflower meadow project
- ii. Plastic recycling. Collection of recyclables currently not collected by WBC.

Ideas put forward included a walking bus and giving assistance to elderly allotment owners. Councillor Coyle was due to meet with Mrs Dineen (School Governor responsible for Eco) but due to the lockdown this was delayed. Councillor Coyle in discussions with SAS. **LC**

20/027 i. Councillor Ashmore referred Councillor Coyle to a scheme from TerraCycle whereby schools could receive money from collecting and recycling otherwise hard to recyclable products. Ongoing. **LC**

- c. 19/074 i. High Street traffic. WBC carried out a survey of High Street in October 2019. A further survey, including a weekend, was carried out in Spring 2020. The data volumes were comparable with the private survey carried out (for the Limeswell planning application) in November 2018. One point that came out was that when traffic travelling from Goring was held at the bottom of High Street, due to oncoming traffic, this affected the traffic detection loop and caused a shorter cycle at the lights for the traffic from the Goring direction. The lights can be changed to take this into account, but this may not make a great difference to traffic flows. A further video survey was carried out from Thursday 15th to Sunday 18th October 2020.

JS

19/141 xi. When plans are in place for Streatley High Street they will be discussed with Goring PC. Ongoing.

District Councillor Law met with WBC officers on 5th May to discuss the data.

A zoom meeting has been arranged for 21st July between WBC, District Councillor Alan Law, and representatives of the Parish Council to consider the findings and potential solutions before consultation with residents.

- d. 19/081 f ii. Streatley Hill. People walk on the road to go up Streatley Hill and are apparently unaware of the footpath options.

The sign at the top of The Coombe is positioned along the footpath. A sign is required at the start of the gravelled area to point the way to the footpath.

WBC will look to place an additional Public Footpath sign at the top of The Coombe. Councillors Jubb and Robertson have proposed wording for signs which has been approved by Council "Alternative Public Footpath to top of Streatley Hill avoiding the main road". Councillor Jubb suggested a series of dots highlighting the route up The Coombe.

A plastic sign, more suitable for external use, has been mounted and attached to the wooden fence, but it does not give clear indication of the route for those unfamiliar with the area. Alternative sign now in place.

Action Completed

Repeater signs are required for the two grit bins in The Coombe. These are available from a different company and will be appropriately designed.

NB/Clerk

- e. 19/108 d i. New SPC labels attached to 6 salt bins in Streatley. Remaining 3(Stichens Green) to be done. The sticker on the bin at the top of The Coombe to be replaced as it is damaged.

Clerk

Councillor Spring has attached the label to the bin in Wantage Road. Councillor Robertson volunteered to replace the one at the top of The Coombe.

MR

- f. 19/139 a ii. The process for listing The Bull public house as an Asset of Community Value is under way and Councillor Jubb sent the completed form to WBC.

The panel determined that The Bull did not meet the criteria for listing as the letting rooms brought it into the hotel category and most of the income is from the hotel business. There was also a comment that the

submission did not include backing from individual members of the public.

District Councillor Law recommended that Council pursues the matter further and would like to be informed when the Council is ready to reapply.

23 letters of support have now been received. Councillor Spring has written a thank you letter to GGN and has received useful information from CAMRA. All have now been passed to Councillor Jubb to work on the resubmission process.

Councillor Jubb to speak with a local village that has been through this process and then consult with District Councillor Law before resubmitting the application. **MJ**

- g. 19/142 i. Replacement tree by the bus shelter was planted on 19 February.

Mr Spencer has now received the plaque and arrangements will be made for a photo to be taken. Plaque now in place and donation received.

Action Completed

Councillor Spring has submitted an article for the August GGN.

- h. 20/040 f ii. Clerk to obtain name badges for Councillors Jubb and Smith plus the Clerk. WBC can provide these.

Clerk

- i. 20/120 iii. Councillor Jubb offered to pick up with WBC the Vehicle Activated Sign for Wantage Road now that the building works are complete.

It was agreed that Councillor Jubb should investigate devices that would also record speeds.

Councillor Jubb reported that the cost for signs range from £2,500 to £3,500 plus installation. The cost of installation depends on the work involved but may be up to £7,000. District Councillor Law reported that Upper Basildon had a recent quote for £2,500.

This is in WBC Highways programme for this financial year – waiting on details from WBC.

It was agreed to 'reserve' £3,500 of CIL money for the sign and installation costs.

A Speed Indicator Device was installed on a post in Wantage Road, close to the Rectory Road junction. The sign was powered and left in place for approximately 3 weeks but has now been removed. Awaiting data from WBC. **MJ**

- j. 20/135 ix. Clerk accepted an offer of trees for the Recreation Ground and possibly the Meadows. 20 small trees (oak, field maple and rowan) were delivered, and the majority have now been planted.

The Allotment Society would like more trees behind the basketball area of the Recreation Ground, and it was suggested that some are planted along the western fence of the allotments as a screen. It was also suggested that the oaks are planted behind the ball area of the Recreation Ground and be protected by fencing.

Four rowan trees have been planted along the fence by the car park and one rowan potted to be grown to replace the tree damaged in High Street. One has since been broken off.

The remaining maples and oaks were considered too small to plant and have also been potted to be planted next year.

The trees behind the ball games area are growing. It was suggested that additional protection is required. Costs for traditional protection were for 1.8m green mesh protection approx. £25 per tree (may also require stakes), or for 1.8m metal guards – from £100 + VAT per tree. These costs were considered too expensive, and it was agreed that a wooden stake in front of each tree would suffice to fend off stray footballs. Councillor Smith to investigate 4 inch diameter wooden stakes. Currently the area is covered in nettles preventing people retrieving balls.

**Action
Closed**

- k. 20/149 xiv. Streatley on-street EV charging bollard - initial enquiry.

Clerk has responded regarding the 4 proposed sites and two potential alternative locations.

The Parish Council will also look at other alternatives. Marston's Brewery are implementing a scheme of EV charging points across their public houses in the UK.

JS

Councillor Spring met with representatives from The Swan who are willing to have a charging point in their car park. Their concern would be how to allow priority for hotel users.

- l. 21/039 e. A request has been received asking the Parish Council to support widening of the footpath from Place Manor to Elm Lodge. Councillor Jubb to email WBC Highways and seek support from MIGGS.

MJ

Councillor Jubb has had a response from MIGGS who would rather not support this.

- m. 21/055 c. Death of a National Figure. Councillor Spring to respond to the church for a combined plan for this type of event.

**Action
Completed**

- n. 21/056 h. WBC Highways are aware that The Bull Inn has been hit by a lorry once again with damage to the northeast corner.

Council agreed that further action is required to protect The Bull and Elm Lodge which are listed buildings. Councillor Jubb to ask that WBC Highways formally review the HGV route into Streatley.

MJ

- o. 21/074a. Return to face to face meetings. Clerk to produce Risk Assessment.

Councillor Smith to digitise Seating Plan for Morrell Room

**Action
Completed**

- p. 21/075e. Councillor Coyle to speak with Chairman of Friends of Streatley Rec with the intention of resurrecting the group and encouraging parents of school and preschool children to be involved.

**Action
Completed**

6. Report of the West Berkshire Councillor

7. Planning

a. Decisions made in between meetings (papers previously circulated)

- i. 21/00981/HOUSE The Hawthorns, Reading Road.
To erect a triple oak framed car port measuring W9000mm x 2250mm to lintel with a 35 degree pitch.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application but request conditions on the application request that approval of the application should include the condition that new foliage is planted along the North and East boundaries to replace that which has recently been removed in order to screen the car port from the road thus maintaining the approach to the village as defined within the Village Design Statement

Motion (proposed Councillor Robertson, seconded Councillor Coyle): that Streatley Parish Council ratify this decision.

- ii. 21/01171/FUL & 21/01170/LBC2 Little Shaw, High Street.

Internal alterations and single storey rear extensions to the house, removal of an outbuilding and replacement with a single storey annexe/home office.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council object to this application on the grounds of the replacement structure proposed in place of the dilapidated barn to be demolished at the rear of the property. The replacement building internal layout and services lend themselves to future conversion for use as a self-contained dwelling which could be utilised separately to the main house facility. Sited within a conservation area, the Council does not support any introduction of additional dwellings. If approved Streatley Parish Council request conditions that it "cannot be used as residential accommodation" and "only to be used by the resident of the property as a home office"

No objection is raised with respect to the proposed extension to be attached to the rear of the existing house.

Motion (proposed Councillor Smith, seconded Councillor Robertson): that Streatley Parish Council ratify this decision.

- iii. 21/01293/HOUSE Paget House, Wantage Road.

Erection of a detached oak framed garage.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application.

Motion (proposed Councillor Barnes, seconded Councillor Spring): that Streatley Parish Council ratify this decision.

- iv. 21/01267/FUL Pump House, Lewendon Hill.

Development of toilet facilities building at Woods Farm Water Treatment Works.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application.

Motion (proposed Councillor Barnes, seconded Councillor Spring): that Streatley Parish Council ratify this decision.

- v. 21/01179/FULD Garden Plot at Sunfield Townsend Road.

Erection of one dwelling and garage and formation of new access. Section 73A application to vary condition 2 of planning permission 17/01476/FULD.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council object to this application on the grounds that it presents an increase in scale to the property and the street scene in relation to the approved application 17/01476/FULD where the garage was a wooden structure to the rear of the property. Following the rejection/withdrawal of several applications to build a larger property on this plot, including a failed appeal to the planning inspectorate, this variation appears to be an attempt by stealth to build a larger building than approved.

Motion (proposed Councillor Robertson, seconded Councillor Coyle): that Streatley Parish Council ratify this decision.

- vi. 21/01312/HOUSE High Wall Cottage High Street.
Replacement of existing conservatory with single storey rear extension with glazed lantern rooflight.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application

Motion (proposed Councillor Smith, seconded Councillor Robertson): that Streatley Parish Council ratify this decision.

- vii. 21/01398/HOUSE The Brambles, Wantage Road.
Rear extension and rear roof modification.

The Clerk, in consultation with Councillors Barnes, Robertson, Coyle, Spring, Jubb, and Smith determined that Streatley Parish Council object to this application on the grounds that the extension is disproportionate to the existing building and the materials do not complement the existing building or comply with the Village Design Statement for that area (Zone 3) of the village.

Whilst the proposed extension is only partially visible from the street it is highly visible from the surrounding Area of Outstanding Natural Beauty.

Motion (proposed Councillor Barnes, seconded Councillor Spring): that Streatley Parish Council ratify this decision.

b. Applications for Planning Permission

- i. 21/01691/HOUSE Herbert Cottage, The Coombe.
Demolition of detached garage. New front entrance, double storey side extension and alterations.

Motion (proposed Councillor Jubb, seconded Councillor Smith): that Streatley Parish Council do not object to this application.

c. Planning matters received since the agenda was circulated (papers circulated prior to the meeting).

None.

d. Decisions by WBC

- i. 21/00981/HOUSE The Hawthorns, Reading Road.
To erect a triple oak framed car port measuring W9000mm x 2250mm to lintel with a 35 degree pitch.
Council did not object to this application but requested the condition that new foliage is planted along the North and East boundaries to replace that which has recently been removed in order to screen the car port from the road thus maintaining the approach to the village as defined within the Village Design Statement

Approved 22 June.

- ii. 21/01293/HOUSE Paget House, Wantage Road.
Erection of a detached oak framed garage.
Council did not object to this application.
Approved 2 July.
- iii. 21/01319/COND1 Elm Lodge, Wallingford Road.
Details reserved by condition 3 (Schedule of Works) of planning permission 20/02721/LBC2 - Internal alterations to existing listed building.
Council did not object to the original application.
Approved 8 July.
- iv. 21/01267/FUL Pump House, Lewendon Hill.
Development of toilet facilities building at Woods Farm Water Treatment Works.
Council did not object to this application.
Approved 8 July.
- v. 21/01312/HOUSE High Wall Cottage High Street.
Replacement of existing conservatory with single storey rear extension with glazed lantern rooflight.
Council do not object to this application.
Approved 9 July.

e. Applications debated at previous meeting still pending WBC consideration.

None.

f. Other planning (and licensing) matters

- i. 21/00917/CERTP. Paget House, Wantage Road.
Ancillary detached home office/gym outbuilding.
Council was not informed of this application.
Agreed that it is lawful development – 19 May.
