

**Actions**

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

**Present** – Mr J Spring (Chairman), Mr N Barnes, Mrs L Coyle, Mr M Jubb, Mr C. Smith.

**21/084 Preliminaries**

a. **Dispensations**

None.

b. **New Councillor**

Sara Anderson has agreed to become a Parish Councillor. She will be co-opted at the next meeting as work commitments prevent her from attending July's meeting.

**21/085 Apologies**

Mr M Robertson.

**21/086 Open Forum**

There were no members of the public present, therefore no Open Forum.

**21/087 Minutes**

- i. Council resolved that the minutes of the meeting held on 4<sup>th</sup> May 2021, having earlier been circulated, be agreed as the correct record and signed by the Chairman. The Chairman also signed the agreed minutes from the remote meetings (March 2020 – April 2021).

**Clerk**

**21/088 Matters Arising from Previous Minutes**

- a. 18/125 g. i. WBC email regarding establishment of footpath from Hill Gardens to Green Hill. A Law has received some objections, including one from a resident who believes there is a covenant in place for the land. A section of woodland behind the pre-school/school is owned by WBC Education Department. No details of a covenant have been found by WBC Property or Education Departments.

The remaining larger area is Open Access Land.

27 evidence forms sent to S Higgins, WBC, on 8 August 2018. The next step is to apply for a public footpath. S Higgins has supplied all forms and will assist with the process. Council instructed the Clerk to proceed with completion of the forms. Clarification received from WBC on 'evidence' required.

12 new evidence forms collected. Further attempts have met with some opposition to the footpath.

The first stage has been completed. Documents and additional evidence sent to WBC. The next stage is to post notices to owners of the land.

**Clerk**

- b. 19/026 iii. The Primary School Eco group is looking for projects. Councillor Coyle has two ideas which need further development:
- i. Scope for inclusion in the wildflower meadow project
  - ii. Plastic recycling. Collection of recyclables currently not collected by WBC.

Ideas put forward included a walking bus and giving assistance to elderly allotment owners. Councillor Coyle was due to meet with Mrs Dineen (School Governor responsible for Eco) but due to the lockdown this was delayed. Councillor Coyle in discussions with SAS.

**LC**

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

**Actions**

- 20/027 i. Councillor Ashmore referred Councillor Coyle to a scheme from TerraCycle whereby schools could receive money from collecting and recycling otherwise hard to recyclable products. Ongoing as the school has not yet restarted this activity. **LC**
- c. 19/074 i. High Street traffic. WBC carried out a survey of High Street in October 2019. A further survey, including a weekend, was carried out in Spring 2020. The data volumes were comparable with the private survey carried out (for the Limeswell planning application) in November 2018. One point that came out was that when traffic travelling from Goring was held at the bottom of High Street, due to oncoming traffic, this affected the traffic detection loop and caused a shorter cycle at the lights for the traffic from the Goring direction. The lights can be changed to take this into account, but this may not make a great difference to traffic flows. A further video survey was carried out from Thursday 15<sup>th</sup> to Sunday 18<sup>th</sup> October 2020.
- 19/141 xi. When plans are in place for Streatley High Street they will be discussed with Goring PC. Ongoing. **JS**
- District Councillor Law met with WBC officers on 5<sup>th</sup> May to discuss the data.
- A zoom meeting has been arranged for 21<sup>st</sup> July between WBC, District Councillor Alan Law, and representatives of the Parish Council (JS, MJ, CS) to consider the findings and potential solutions before consultation with residents.
- Council discussed a letter from Mr. Pickersgill regarding the traffic situation in the High Street with suggestions for improvements. This has been passed to the WBC Highways team for inclusion in the discussion on 21 July.
- d. 19/081 f ii. Streatley Hill. People walk on the road to go up Streatley Hill and are apparently unaware of the footpath options.
- The sign at the top of The Coombe is positioned along the footpath. A sign is required at the start of the gravelled area to point the way to the footpath. WBC will look to place an additional Public Footpath sign at the top of The Coombe. Councillors Jubb and Robertson have proposed wording for signs which has been approved by Council "Alternative Public Footpath to top of Streatley Hill avoiding the main road". Councillor Jubb suggested a series of dots highlighting the route up The Coombe.
- A plastic sign, more suitable for external use, has been mounted and attached to the wooden fence, but it does not give clear indication of the route for those unfamiliar with the area. Alternative sign now in place. **Action Completed**
- Repeater signs for the two grit bins in The Coombe have been ordered. **Clerk**
- WBC have been chased regarding an additional footpath sign at the top of The Coombe (agreed November 2019). This will be added to the works programme for October/November 2021.
- e. 19/108 d i. New SPC labels attached to 6 salt bins in Streatley. Remaining 3 (Stichens Green) still to be done. The sticker on the bin at the top of The Coombe to be replaced as it is damaged.

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

**Actions**

Councillor Spring has attached the label to the bin in Wantage Road. Clerk to replace the one at the top of The Coombe.

**Clerk**

- f. 19/139 a ii. The process for listing The Bull public house as an Asset of Community Value is under way and Councillor Jubb sent the completed form to WBC.

The panel determined that The Bull did not meet the criteria for listing as the letting rooms brought it into the hotel category and most of the income is from the hotel business. There was also a comment that the submission did not include backing from individual members of the public.

District Councillor Law recommended that Council pursues the matter further and would like to be informed when the Council is ready to reapply.

23 letters of support have now been received. Councillor Spring has written a thank you letter to GGN and has received useful information from CAMRA. All have now been passed to Councillor Jubb to work on the resubmission process.

Councillor Jubb to speak with a local village that has been through this process and then consult with District Councillor Law before resubmitting the application. Ongoing.

**MJ**

- g. 19/142 i. Replacement tree by the bus shelter was planted on 19 February. Mr Spencer has now received the plaque and arrangements will be made for a photo to be taken. Plaque now in place and donation received. Councillor Spring has submitted an article for the August GGN.

**Action  
Completed**

- h. 20/040 f ii. Clerk to obtain name badges for Councillors Jubb and Smith plus the Clerk. WBC can provide these.

**Clerk**

- i. 20/120 iii. Councillor Jubb offered to pick up with WBC the Vehicle Activated Sign for Wantage Road now that the building works are complete.

It was agreed that Councillor Jubb should investigate devices that would also record speeds.

Councillor Jubb reported that the cost for signs range from £2,500 to £3,500 plus installation. The cost of installation depends on the work involved but may be up to £7,000. District Councillor Law reported that Upper Basildon had a recent quote for £2,500.

This is in WBC Highways work programme for 2021/22 – waiting on details from WBC.

It was agreed to 'reserve' £3,500 of CIL money for the sign and installation costs.

A Speed Indicator Device was installed on a post in Wantage Road, close to the Rectory Road junction. The sign was powered and left in place for approximately 3 weeks but has now been removed. Awaiting the data from WBC.

**MJ**

- j. 20/135 ix. Clerk accepted an offer of trees for the Recreation Ground and possibly the Meadows. 20 small trees (oak, field maple and rowan) were delivered, and the majority have now been planted.

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

**Actions**

The Allotment Society would like more trees behind the basketball area of the Recreation Ground, and it was suggested that some are planted along the western fence of the allotments as a screen. It was also suggested that the oaks are planted behind the ball area of the Recreation Ground and be protected by fencing.

Four rowan trees have been planted along the fence by the car park and one rowan potted to be grown to replace the tree damaged in High Street. One has since been broken off.

The remaining maples and oaks were considered too small to plant and have also been potted to be planted next year.

The trees behind the ball games area are growing. It was suggested that additional protection is required. Costs for traditional protection were for 1.8m green mesh protection approx. £25 per tree (may also require stakes), or for 1.8m metal guards – from £100 + VAT per tree. These costs were considered too expensive, and it was agreed that a wooden stake in front of each tree would suffice to fend off stray footballs. Councillor Smith to investigate 4 inch diameter wooden stakes. Currently the area is covered in nettles preventing people retrieving balls and the existing foliage is growing to cover the gap.

**Action  
Closed**

- k. 20/149 xiv. Streatley on-street EV charging bollard - initial enquiry.

Clerk has responded regarding the 4 proposed sites and two potential alternative locations.

The Parish Council will also look at other alternatives. Marston's Brewery are implementing a scheme of EV charging points across their public houses in the UK.

Councillor Spring met with representatives from The Swan who are willing to have a charging point in their car park. Their concern would be how to allow priority for hotel users.

**Action  
Completed**

There are no other opportunities within Streatley.

- l. 21/039 e. A request has been received asking the Parish Council to support widening of the footpath from Place Manor to Elm Lodge. Councillor Jubb to email WBC Highways and seek support from MIGGS.

Councillor Jubb has had a response from MIGGS who would rather not support this.

**Action  
Completed**

- m. 21/055 c. Death of a National Figure. Councillor Spring has responded to the church about a combined plan for this type of event.

**Action  
Completed**

- n. 21/056 h. WBC Highways are aware that The Bull Inn has been hit by a lorry once again with damage to the northeast corner. Repairs (including full road closure from 2-13 August)

Council agreed that further action is required to protect The Bull and Elm Lodge which are listed buildings.

Councillor Jubb to draft a letter to WBC Highways requesting a formal review of the HGV route into Streatley.

**MJ/Clerk**

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

**Actions**

Letter to be circulated to all Councillors for review and then to be sent by the Clerk.

- o. 21/074a. Return to face to face meetings. Clerk has produced a Risk Assessment.

Councillor Smith has digitised a seating plan for the Morrell Room.

**Action  
Completed**

- p. 21/075e. Councillor Coyle has spoken with the Chairman of Friends of Streatley Rec with the intention of resurrecting the group and encouraging parents of school and preschool children to be involved.

**Action  
Completed**

**21/089 Report of the West Berkshire District Councillor**

District Councillor Law did not submit a report.

**21/090 Planning**

**a. Decisions made in between meetings (papers previously circulated)**

- i. 21/00981/HOUSE The Hawthorns, Reading Road.

To erect a triple oak framed car port measuring W9000mm x 2250mm to lintel with a 35 degree pitch.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application but request conditions on the application request that approval of the application should include the condition that new foliage is planted along the North and East boundaries to replace that which has recently been removed in order to screen the car port from the road thus maintaining the approach to the village as defined within the Village Design Statement.

Council resolved to ratify this decision.

- ii. 21/01171/FUL & 21/01170/LBC2 Little Shaw, High Street.

Internal alterations and single storey rear extensions to the house, removal of an outbuilding and replacement with a single storey annexe/home office.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council object to this application on the grounds of the replacement structure proposed in place of the dilapidated barn to be demolished at the rear of the property. The replacement building internal layout and services lend themselves to future conversion for use as a self-contained dwelling which could be utilised separately to the main house facility. Sited within a conservation area, the Council does not support any introduction of additional dwellings. If approved Streatley Parish Council request conditions that it "cannot be used as residential accommodation" and "only to be used by the resident of the property as a home office"

No objection is raised with respect to the proposed extension to be attached to the rear of the existing house.

Additional information received 13 July.

Council resolved to ratify this decision.

- iii. 21/01293/HOUSE Paget House, Wantage Road.

Erection of a detached oak framed garage.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application.

Council resolved to ratify this decision.

- iv. 21/01267/FUL Pump House, Lewendon Hill.  
Development of toilet facilities building at Woods Farm Water Treatment Works.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application.

Council resolved to ratify this decision.

- v. 21/01179/FULD Garden Plot at Sunfield Townsend Road.  
Erection of one dwelling and garage and formation of new access. Section 73A application to vary condition 2 of planning permission 17/01476/FULD.  
The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council object to this application on the grounds that it presents an increase in scale to the property and the street scene in relation to the approved application 17/01476/FULD where the garage was a wooden structure to the rear of the property. Following the rejection/withdrawal of several applications to build a larger property on this plot, including a failed appeal to the planning inspectorate, this variation appears to be an attempt by stealth to build a larger building than approved.

Council resolved to ratify this decision.

- vi. 21/01312/HOUSE High Wall Cottage High Street.  
Replacement of existing conservatory with single storey rear extension with glazed lantern rooflight.

The Clerk, in consultation with Councillors Robertson, Coyle, Spring, Jubb, Smith and Barnes, determined that Council do not object to this application

Council resolved to ratify this decision.

- vii. 21/01398/HOUSE The Brambles, Wantage Road.  
Rear extension and rear roof modification.

The Clerk, in consultation with Councillors Barnes, Robertson, Coyle, Spring, Jubb, and Smith determined that Streatley Parish Council object to this application on the grounds that the extension is disproportionate to the existing building and the materials do not complement the existing building or comply with the Village Design Statement for that area (Zone 3) of the village.

Whilst the proposed extension is only partially visible from the street it is highly visible from the surrounding Area of Outstanding Natural Beauty.

Council resolved to ratify this decision.

**b. Applications for planning permission**

- i. 21/01691/HOUSE Herbert Cottage, The Coombe.  
Demolition of detached garage. New front entrance, double storey side extension and alterations.

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD      **Actions**  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

Following discussion Council resolved that: Streatley Parish Council object to this amendment to the application on the grounds of:

- The proposed extension increases the house footprint by in excess of 50% (excluding the current garage) resulting in the two attached houses looking 'unbalanced' due to the scale of the extension.
- The demolition/removal of the garage facility will mean that cars will be in evidence at the front of the property when parked and we would question whether there would be room for more than one car as drawn in the plans, resulting in an increase in on-street parking.
- Overall, the street scene will suffer from the effects of the infill and the impact of a double height 'flat' frontage to the street.
- The view down the hill and from the neighbouring 'Blackthorn' property on the western side will be significantly impaired.

**c. Planning matters received since the agenda was circulated (papers circulated prior to the meeting)**

None.

**d. Decisions by WBC**

i. 21/00981/HOUSE The Hawthorns, Reading Road.

To erect a triple oak framed car port measuring W9000mm x 2250mm to lintel with a 35 degree pitch.

Council did not object to this application but requested the condition that new foliage is planted along the North and East boundaries to replace that which has recently been removed in order to screen the car port from the road thus maintaining the approach to the village as defined within the Village Design Statement

Approved 22 June.

ii. 21/01293/HOUSE Paget House, Wantage Road.

Erection of a detached oak framed garage.

Council did not object to this application.

Approved 2 July.

iii. 21/01319/COND1 Elm Lodge, Wallingford Road.

Details reserved by condition 3 (Schedule of Works) of planning permission 20/02721/LBC2 - Internal alterations to existing listed building.

Council did not object to the original application.

Approved 8 July.

iv. 21/01267/FUL Pump House, Lewendon Hill.

Development of toilet facilities building at Woods Farm Water Treatment Works.

Council did not object to this application.

Approved 8 July.

v. 21/01312/HOUSE High Wall Cottage High Street.

Replacement of existing conservatory with single storey rear extension with glazed lantern rooflight.

Council did not object to this application.

Approved 9 July.

**e. Applications debated at previous meetings still pending WBC consideration.**

None.

**f. Other planning (and licensing) matters**

- i. 21/00917/CERTP. Paget House, Wantage Road. Ancillary detached home office/gym outbuilding. Council was not informed of this application.

WBC agreed that it is lawful development – 19 May.

**21/091 Finance Matters**

**a. Payment of Accounts between meetings**

- i. £78.00 Playground Facilities Ltd. Recreation Ground inspection March.
- ii. £196.68. M&C Landscapes. Grass cutting April.
- iii. £124.20. Playsafety Ltd. RoSPA check April 2021.
- iv. £103.29. SSE. Street lighting energy April (paid by direct debit).
- v. £14.39. H. Preston-Barnes. Zoom invoice May/June.
- vi. £300.00. Morrell Room hire 2021-22.
- vii. £12.68. N. Barnes. SERG database costs April/May.
- viii. £196.68. M&C Landscapes. Grass cutting May.
- ix. £88.72. SSE. Street lighting energy May (paid by direct debit).

Council ratified payment of the above invoices.

**b. Payment of Accounts received by Council**

- i. £36.00. CPRE. Membership 2021-22.
- ii. £40.00. CCB. Membership 2021-22.
- iii. £408.00. HMRC. Q1 2021/2 return.
- iv. £314.11. SSE. Street lighting quarterly maintenance charge.
- v. £41.64. Street lighting rechargeable repairs (P7 The Coombe).
- vi. £13.09. N. Barnes. SERG database costs May/June.
- vii. £196.68. M&C Landscapes. Grass cutting June.
- viii. £94.58. SSE. Street lighting energy June (paid by direct debit).
- ix. £42.00. Parish Online. Annual subscription July 2021-2022.
- x. £18.59. N. Barnes. Labels for footpath repeaters in The Coombe.

Council resolved that the above invoices be approved for payment.

**Clerk**

**c. Receipts**

- i. £106.67 Goring Parish Council. Reimbursement of 80% of helpline costs.
- ii. £16,050.50. West Berkshire Council. First half of precept 2021/22.
- iii. £357.00. Field Seymour Parkes. Balance of account for lease charges.
- iv. £300.00. J. Spencer. Donation for acer tree.

Council acknowledged receipt of these payments.

**d. Other Finance Matters**

- i. Council approved the bank reconciliations as of 31<sup>st</sup> May 2021 and 30<sup>th</sup> June 2021 (previously circulated).
- ii. Council acknowledged payment of the Clerk's salary on 1<sup>st</sup> June and 1<sup>st</sup> July.
- iii. Council acknowledged submission of document pack to external auditors on 10 May.
- iv. Council agreed to appoint Jane Olds as internal auditor for 2021/22.

**Clerk**

**Actions**

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD  
IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**

- v. Council received the Quarter 1 2021/22 budget comparison (previously circulated).
- vi. Council acknowledged Q4 VAT reclaim of £235.04.

**21/092 Specific Matters for Discussion/Decision:**

**a. Actions from 2021 RoSPA report.**

Council discussed the actions resulting from this year's RoSPA inspection of the playground. It was agreed that Council should make provision within future budgets for replacement swings. It was also agreed that the bark surface in the enclosed play area needs the weeds removing and the bark topped up. As M&C landscapes have carried out this work previously, Clerk to request a quotation from them. **Clerk**

**b. Request from Ridgeway 40 to use Recreation Ground.**

A request was received from the Ridgeway 40 organisers to use the Recreation Ground as the finishing point for the event on 4<sup>th</sup> August. The event would include approximately 230 people. The organisers would require space for portaloos, a transport car, and an emergency/first aid vehicle between the hours of 14:30 and 21:30 with cars coming to pick up participants.

Council discussed this request and felt that an event of this size would inconvenience residents of Cleeve Court and the surrounding area as well as other users of the Recreation Ground and car park. Clerk to respond and provide suggestions for alternative sites that might be approached. **Clerk**

**c. Nightglow event.**

The local hot air balloon club have written to ask whether they could hold their annual nightglow event in August of this year. They were happy with either an informal or more formal event.

Council agreed that due to the short notice and timing of the event during school holidays it was not possible to arrange a formal event but would be happy to see the balloons inflated in an informal event, subject to COVID guidance at the time. **Clerk**

**21/093 Reports on:**

**a. Heart of Streatley Charitable Trust**

Councillor Barnes reported that works on the wall have now been completed. The next task is the removal of the ragwort and the cutting/baling of the grass. HoSCT are having difficulty finding someone to do the work as the previous person no longer has the equipment and other contractors' equipment is too large.

The Trustees are again going through a period of change with two resignations and one newcomer.

**b. Website/IT**

Councillor Barnes reported that the website is in the process of being updated with the recommendations from the Internal Audit:

- It has been updated with the portfolio document.
- The Clerk is looking at how the finance related documents can be presented.

**c. Allotment Society.**

Nothing to report from Councillor Smith.

**d. Emergency Planning/SERG.**

**MINUTES OF A MEETING OF STREATLEY PARISH COUNCIL HELD IN THE MORRELL ROOM, STREATLEY ON 19 JULY 2021 (start 7.50pm)**      **Actions**

Councillor Barnes reported that, as COVID restrictions had now been lifted, it was time to back up the database and stop the service. It was suggested that he confirms this with Q1 Foundation to ensure they have no use for it. **NB**

**e. Recreation Ground**

Nothing to report from Councillor Coyle.

**f. Neighbourhood Action Group**

The next meeting will be held on 21<sup>st</sup> July. Councillors Spring and Jubb are unable to attend as there is a conflict with the WBC meeting to discuss the High Street options. Clerk to attend and mention:

- The incident with the dog and the deer on the Holies
- Road closure of Streatley Hill
- Yellow lines at the top of Streatley Hill to be made permanent
- Email from WBC regarding prosecution of heavy goods vehicles over Skew Bridge and in Streatley.

**g. St Mary's Church**

Councillor Spring reported that he is now a Trustee of the Friends of St Mary's. There is a new FoSM display board in the church.

In the event of the death of a national figure, the Church would hold an appropriate service and open a book of condolence.

The painting, repairs, and removal of the plant growth on the tower have been completed and the scaffolding has been taken down.

**h. Traffic and Highways**

Councillor Jubb has noticed several 'Slow Down' signs have appeared around the village.

**21/094 Correspondence (not dealt with elsewhere in the agenda)**

- i. 4<sup>th</sup> May. BALC. Berkshire ALC Membership Leaflet.
